STRIVE Bayside

Participants and staff have been very busy at STRIVE Bayside since the program began in September! We hosted a wonderful Open House in November for participants and their families, case managers and people wanting to learn more about the program. At STRIVE Bayside we are dedicated to expanding independent living capacity and community connections for people with developmental disabilities. During program we work on independent living skills including banking, budgeting, cleaning, laundry, menu planning, grocery shopping and much more!

The STRIVE Bayside program currently runs Monday through Friday from 9:00am -1:00pm in a three bedroom apartment in Portland and currently serves six young adults. We are excited to have another participant joining us in the New Year and have space for one more participant to join this group. STRIVE Bayside is now accepting applications for the September 2013 afternoon group. For more information or to schedule a tour, please contact Brianna McCabe at (207) 899-1725 or bmccabe@pslservices.org.

Next STEP Update

STRIVE Next STEP premiered their documentary on learning social skills in December. The movie premier was packed with friends and family who were eager to see Next STEP students engaging their new skills! “We made a social skills video *and* we tried out our skills at the party. We practiced greeting people and we also said thank you to the people who were coming.”- Next STEP Class. Next STEP students document their progress and activities in the program in personal blogs that can be found at STRIVE’s website: pslstrive.org. If you would like more information about applying to Next STEP or would like to schedule a tour, contact Peter Brown at 774-6278 or pbrown@pslservices.org.
