Next STEP: A Private Pay Transitioning Educational Program

Next Step participants continue to engage in educational and social/recreational activities in class and our community. In October, we worked on preparing for employment in various ways including getting along with co-workers, learning to answer the phone in a business, filing, working on resumes and more. We also worked on social skills and decision making. This included strategies around problem solving, conversations and relationship circles.

The group did a lot of activities at Foden Road and beyond including gardening, cooking, walks while working on safety skills, making pickles from the cucumbers in the garden and a special tour of the USM campus. Thank you Stacy Stewart for the great tour!

We look forward to November when will start exploring information on Self Advocacy and Nutrition as well as identifying some goals that we will begin to work on at home.

The Next STEP program runs daily Monday through Friday from 9am to 5pm.

If you have any questions or would like to schedule a visit, contact Bill Hughes at bhughes@pslservices.org or (207) 774-6278.

Leave A Gift. Leave A Legacy.

STRIVE would like to introduce it's newest venture in fundraising as well as sustainability. What better way to give to STRIVE than to plan ahead and incorporate STRIVE into your planned giving. We understand that times are economically difficult for many people these days. That is why STRIVE has started a "Legacy Program" and would be happy to discuss how to write in our organization into your planned giving account.
